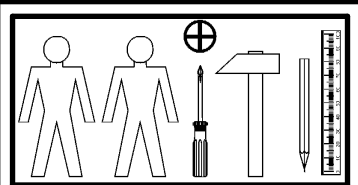

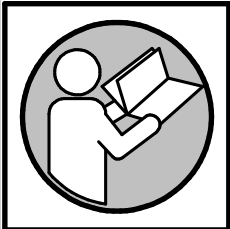

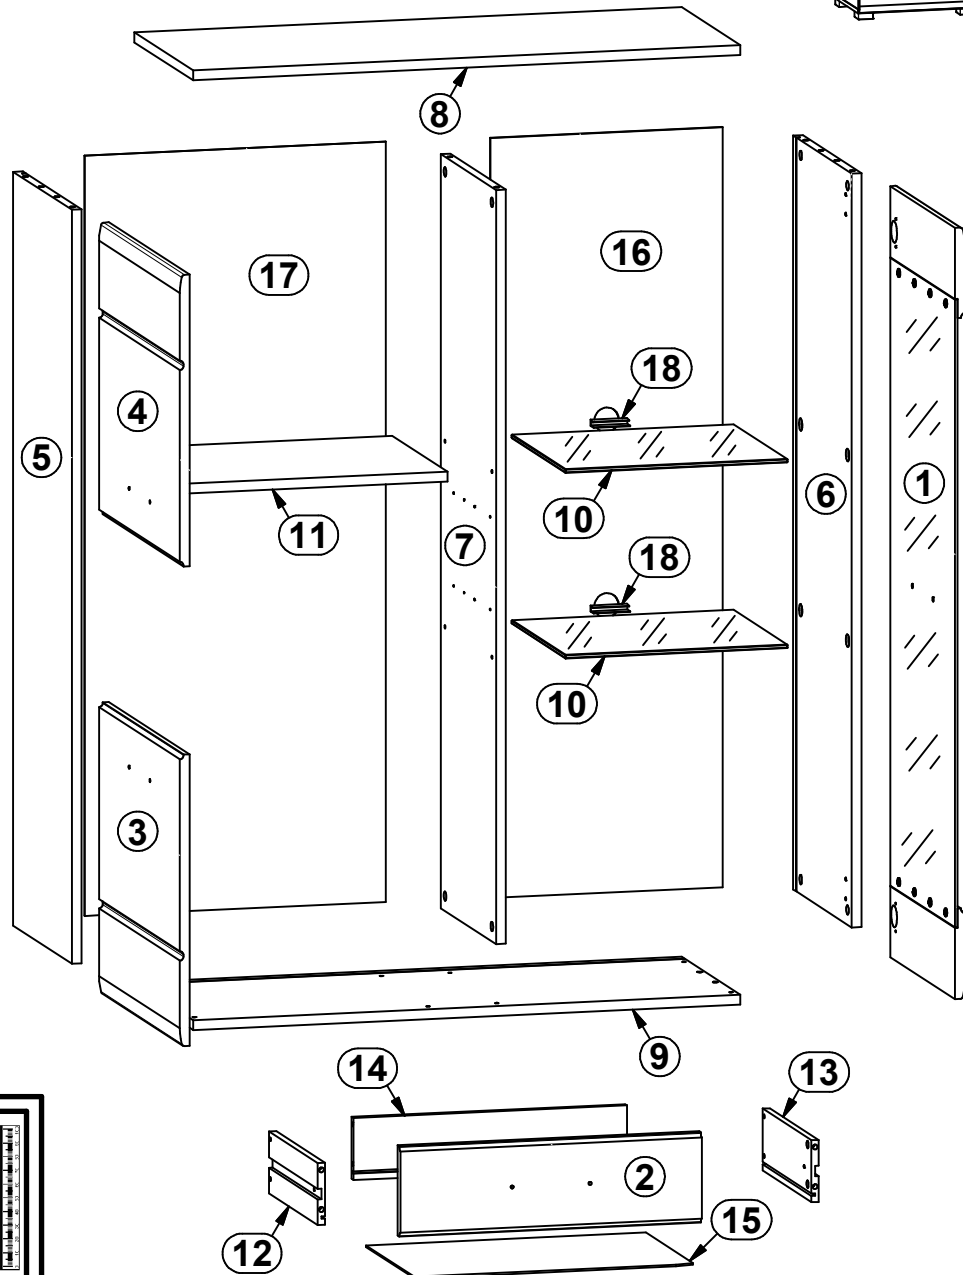

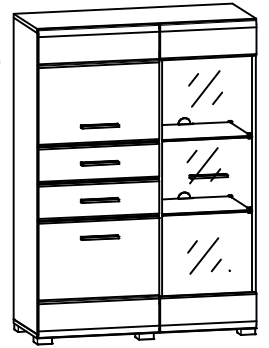

Diagram illustrating the assembly of a cabinet unit, showing the installation of shelves, drawers, and doors. The main assembly shows the cabinet frame with shelves (10) and drawers (18) being installed. The diagram includes various components and their assembly steps:

- Shelves (10):** Shelves are attached to the cabinet frame using screws (s53) and brackets (o27, p59, d23).
- Drawers (18):** Drawers are attached to the cabinet frame using screws (s53) and brackets (o27, p59, d23).
- Doors (1, 5):** Doors are attached to the cabinet frame using hinges (a44, a2) and screws (p51).
- Warning Symbols:**
 - §18:** Warning symbol indicating a sharp edge or point.
 - §21:** Warning symbol indicating a risk of injury from falling objects.
 - §10:** Warning symbol indicating a risk of injury from moving parts.

Key components and labels shown in the diagram include:

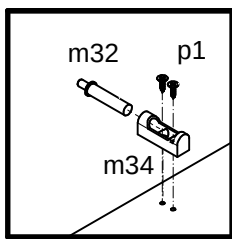

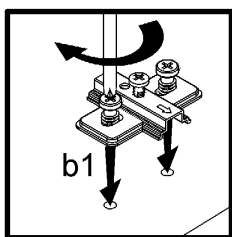

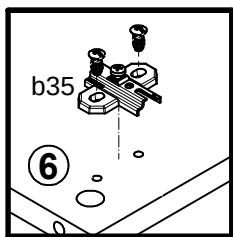

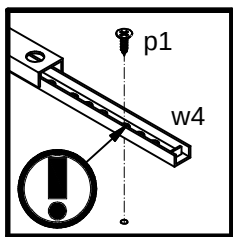

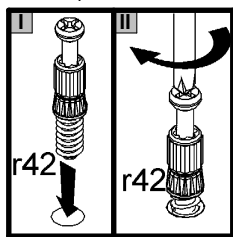

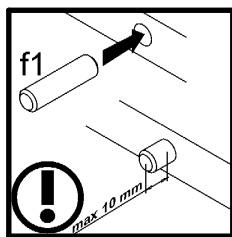

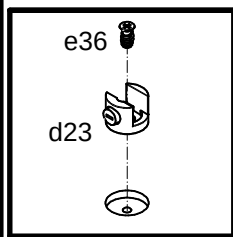

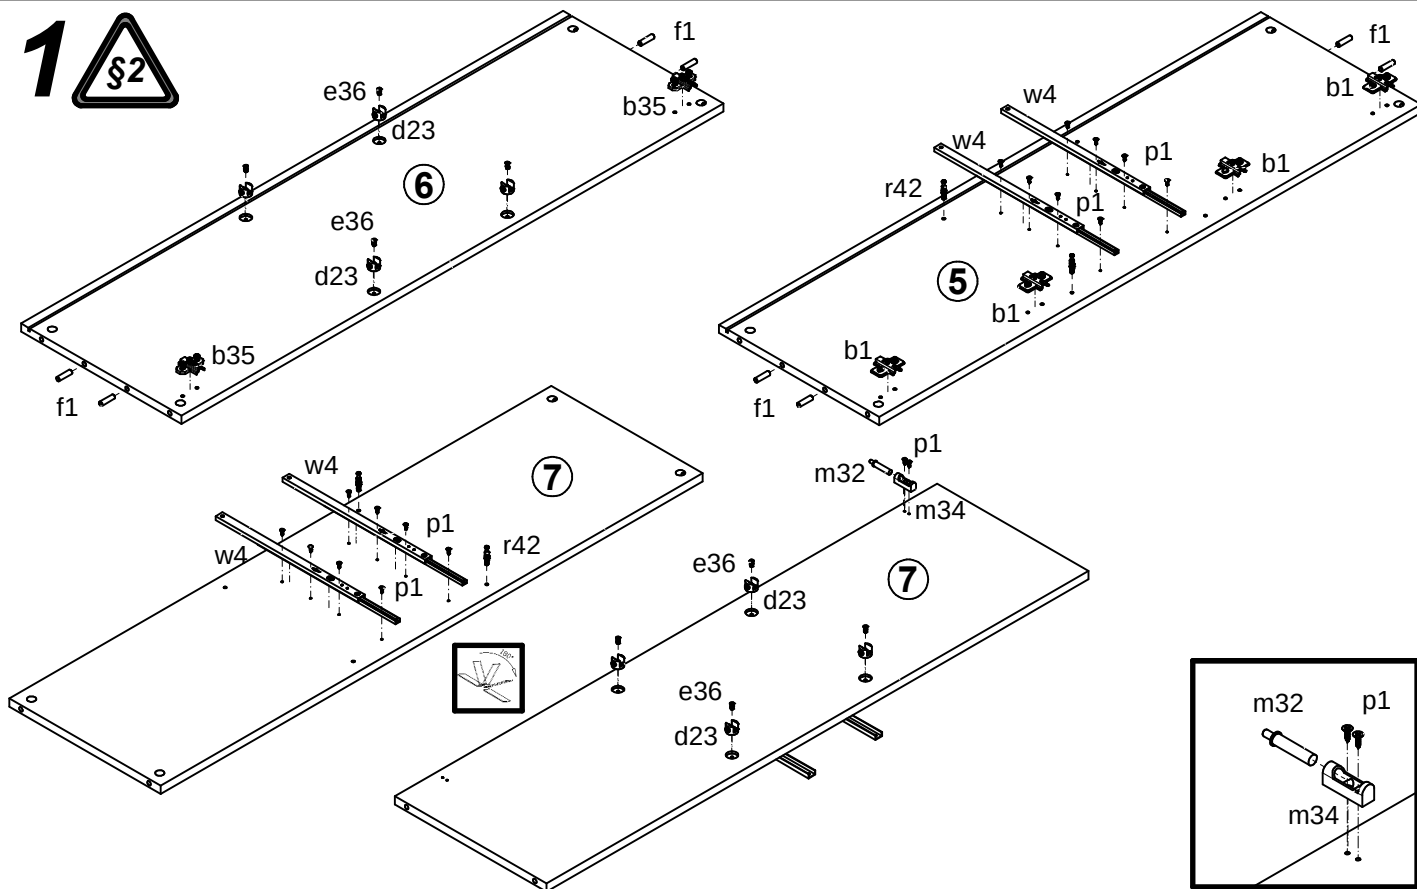

- a44, p51, s53, o27, p59, d23, b1, a2, o21, p9, c253\3.
